Guidelines for Poster Judges

Time and Location:
Poster Sessions will take place on April 2\textsuperscript{nd}, 2019 in the Reitz Union Grand Ballroom (2\textsuperscript{nd} floor). You will be judging during one of the following sessions:
- Poster Session A: 10:00 AM - 11:45 AM
- Poster Session B: 12:45 PM - 2:30 PM

General Info:
- You will likely be judging 2-3 posters which will be presented by graduate students. These posters will most likely \textit{not} be from your area of expertise. Part of the poster evaluation will be the presenter’s ability to communicate their research to the non-expert, so be sure to ask lots of questions!

The day of the event:
- Please check in at the registration desk outside the Grand Ballroom \textbf{10-15 minutes before your assigned session}. If you are late, you won’t be able to judge posters!
- Upon check in, you will receive your nametag and information on the posters that you will be judging.
- A judging rubric will be available to you from the website. You will be provided with one as well. Please be sure to use this to guide your assessment.
- When judging, be sure to approach and talk to the presenter one-on-one to get a sense of their work.
- There will be enough time for you to spend about \textbf{15 minutes at each poster}. Please stay on schedule to give each of your presenters a fair chance at sharing their research.
- After you have judged your posters, you will return your completed rubrics to the registration desk.
- \textbf{THANK YOU} for your service as a judge!!!

Poster Awards
The contest results will be announced at 3:00 PM on April 2\textsuperscript{nd} in the Reitz Union Grand Ballroom during the Graduate Student Research Day Awards Ceremony. The winning posters will receive a financial award that can be used for research related travel and/or lab supplies.
